TOM DUCHARME FUTURE LEADERS SCHOLARSHIP

The Granite State Games Tom Ducharme Future Leaders Scholarship, which awards eight college scholarships to Granite State Games participants each year (2 per region, 1 male and 1 female), aims to identify young men and women who will be tomorrow's leaders. GSG is proud to award these scholarships to eight student-athletes who demonstrate leadership through community service, academic excellence, and athletic achievement.

The Granite State Games award these scholarships because they believe the true value of athletic participation lies not in the outcome, but in the lessons learned. Sports teach responsibility to self and to others, foster a sense of self-worth, and develop an appreciation for the importance of setting goals and working to achieve them. If learned well, these lessons help make effective leaders in business, education, and the community.
